DETAILED ACTION

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Jones (Reg. No. 50,004) on 10/01/07.

As discussed with Mr. David Jones during a telephone interview on 10/01/07, claim 12 appears to be depended on the cancel claim (for example claim 11); therefore, in order to place the application in condition for allowance applicant agrees to amended claim 12 by way of the examiner's amendment.

The application has been amended as follows:

For claim 12, line 1: "**in claim 11**" should be change to - - in claim 8 - -.

Allowable Subject Matter

1. Claims 1-2, 4-10, 12-19, and 21-22 are allowed (renumber claims are 1-19).

The following is an examiner's statement of reasons for allowance: Neither the references cited nor the cited references teach, suggest, or obvious in combination of the enclosure having a card having first and second side edges and defining at least one cutout formed along at least half of the length of the card and having opposing edges and the at least one cutout being interposed between the first and second side

edges so that when the functional module is received in the card cage, the first and second side edges of the card are supported by the first and second card guides, respectively, and the opposing edges of the at least one cutout defined by the card are supported by the third card guide.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
